

M120 Series Limited Warranty Dependability Promise

WHAT'S INSIDE MATTERS®

Warrantor:
NORDYNE LLC

Warranty effective for equipment manufactured after January 1, 2014

Dear Customer,

Congratulations on your decision to purchase the most reliable heating and cooling equipment. We are so confident in our product performance that we back it with the **Maytag** Dependability Promise:

*If the **Compressor** in your **Maytag** outdoor cooling/heat pump unit fails to operate during the first year of ownership, under normal use and due to a defect in materials or workmanship, **NORDYNE** will replace the entire outdoor unit. A labor fee up to \$250 will be paid to the service company to replace the failed piece of above listed equipment. You are responsible for the balance of all labor charges.

If the **Heat Exchanger** in your **Maytag** package gas/electric unit or furnace fails to operate during the first year of ownership, under normal use and due to a defect in materials or workmanship, **NORDYNE** will replace the package gas/electric unit or furnace. A labor fee up to \$250 will be paid to the service company to replace the failed piece of above listed equipment. You are responsible for the balance of all labor charges.

Pre-authorization and return of the defective unit are required.

\$250 labor allowance applies to a compressor or heat exchanger failure only.

Exclusions:

The warranty must be registered within 60 days of the installation or occupancy. If registration is not completed within 60 days, the dependability promise is no longer applicable.

If it is a split system unit, it must be installed at the same time as a **NORDYNE** manufactured and matched coil or air handler. The warranty period for the new unit continues from the original installation date of the previous unit.

The residence must be an owner-occupied single family dwelling (apartment complexes are not covered under the Dependability Promise.)

*Note: In the year 2010, air conditioning equipment will no longer be available with R-22 refrigerant. At that time an outdoor condensing unit replacement will require a system that is compatible with R-410A, the new refrigerant. The indoor evaporator coil and connecting line set will have to be replaced. The homeowner will be responsible for the expense of replacing the evaporator coil and line set. In lieu of replacing the evaporator coil and line set, the homeowner can elect to receive a new R-22 replacement compressor if available.

WHAT'S INSIDE MATTERS®

Warranty effective for equipment manufactured after January 1, 2014.

TWELVE YEAR LIMITED PARTS ONLY WARRANTY – (REQUIRES CONSUMER REGISTRATION)

If any part fails due to a defect in material or workmanship within the Warranty Period (defined below), a replacement part will be provided free of charge except for the freight costs which are the owner's responsibility. **NORDYNE** will not pay for parts purchased in the field from other than a **Maytag** distributor. Replacement parts are warranted only for the balance of the original Warranty Period. **In order to be eligible for coverage under this warranty, you must register within 60 days of the later of installation or occupancy. If registration is not completed within 60 days, the Warranty Period reverts to:**

5 year parts, 5 year compressor, 20 year heat exchanger

The registered equipment warranty is 12 year limited parts and lifetime heat exchanger

ACCESSORIES: **Maytag** accessories such as thermostats, whole-home electronic air cleaners and humidifiers, etc. installed as part of the system, are covered under this 12 year limited parts warranty. The Warranty Period for any accessories added 30 days or more after initial system installation is **1 year**. Consumables related to accessories are not covered.

This Limited Warranty Not Valid for Commercial Use – see below.

WARRANTY EXCLUSIONS:

1. **THIS WARRANTY DOES NOT COVER:** Labor or other costs incurred for diagnosing, repairing, removing, installing, shipping, servicing or handling of either defective parts, or replacement parts, or new units.
2. Any cost to replace, refill or dispose of refrigerant, including the cost of refrigerant.
3. Electricity or fuel costs, or increases in electricity or fuel costs from any reason whatsoever, including additional or unusual use of supplemental electric heat.
4. Equipment that is not a properly NORDYNE matched system per manufacturer's recommendations and the Air Conditioning Heating Refrigeration Institute (AHRI) is only warranted for 5 years.
5. Equipment ordered over the internet, other than from manufacturer, is not covered.
6. The residence must be an owner-occupied, single family dwelling.
7. Failure and replacement caused by contamination from bacteria are excluded from warranty coverage (i.e. dirty sock syndrome). Consequential or other damage(s) caused by rust, brownouts, blackouts, oxidation, corrosion, water, water condition, freezing, fire, other abnormal environmental conditions or other natural acts are excluded from warranty coverage. Premature failure due to the use of inferior building materials such as high sulfur content dry wall, corrosive conditions caused by location, moisture, etc. are also excluded from warranty coverage.
8. This warranty does not apply to parts that fail as a direct result of environmental influences.
9. **Maytag** indoor air quality products that can operate without the indoor furnace, coil or air handler such as stand-alone air cleaners, window air conditioning and humidifiers are excluded from this limited warranty.
10. The base warranty (i.e. the warranty applicable to unregistered products) is transferable. The upgraded registered warranty is not transferable.
11. The units must be installed and located in the 50 United States or Canada. Puerto Rico and Mexico are excluded.
12. This limited warranty does not cover failure due to accident, misuse, abuse, faulty installation, or adjustments to appliance controls required to adapt the appliance operation to the structure size, geographic location, or fuel supply, adjustment to the heat anticipator on the thermostat. **NORDYNE** does not guarantee the temperature difference between the inside and outside of the structure. This limited warranty does not cover normal maintenance, such as filter replacement, fuses, etc.
13. Failures to equipment or compressors due to incorrect refrigerants or un-approved additives used outside of manufacturer's recommendations or failures due to the improper use of metering devices (i.e. thermal expansion valves) are excluded from warranty coverage.
14. Parts not supplied or designated by Company, or damages resulting from their use.
15. iQ Drive® Exclusions: Component failures related to improper installation by a non-certified contractor servicing equipment that requires certification (i.e. select iQ Drive equipment) are not covered.

WARRANTY CONDITIONS:

1. This **Maytag** equipment and/or **Maytag** accessories must be installed by a licensed or otherwise qualified dealer or contractor, and must be installed in accordance with **NORDYNE's** installation instructions and in compliance with local codes. Improper installation may endanger the occupants of the dwelling.
2. This equipment must be operated in accordance with **NORDYNE's** operating instructions provided with each unit. The product must not be misused.
3. The equipment's rating plate must not be removed or defaced.
4. If the date of original installation cannot be verified, then the warranty period begins ninety (60) days from the date of product manufacture (as indicated by the model and serial number). Proof of purchase may be required at time of service.
5. The warranty applies only to products remaining in their original installation location.
6. All equipment requires annual maintenance performed by your servicing dealer or an authorized service technician. Filter changes and/or cleaning filters can be performed by you. You or your servicing dealer may be required to submit proof of annual maintenance, including invoices for materials and/or labor charges associated with the annual maintenance. Lack of annual maintenance or failure to provide proof of proper annual maintenance may result in denial of claims under your warranty. You will be responsible for payments of denied claims due to lack of annual maintenance. **NORDYNE** is not responsible for normal maintenance or service or for problems caused by improper installation, application, or operation of the equipment. We recommend semi-annual preventive maintenance inspections on the entire unit and/or accessories by a licensed or otherwise qualified dealer, service technician, or contractor.
7. Product registration is not required for the State of California or the Province of Quebec.

THERE ARE NO OTHER EXPRESS WARRANTIES, EXCEPT AS SET FORTH ABOVE.

Any implied warranties of merchantability or fitness for any purpose relating to the parts of the unit shall terminate on the termination dates of the corresponding express warranties covering said parts. Under no circumstances shall NORDYNE be liable for incidental or consequential damages resulting from breach of any express warranty or implied warranty including the implied warranties of merchantability or fitness for a particular purpose. However, some states do not allow limitations on how long an implied warranty lasts and/or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. **This limited warranty gives specific legal rights, and you may also have other rights which may vary from state to state.**

Buyer protection plans are available through your **Maytag** dealer. This plan provides you with additional years of service protection including labor. The buyer protection plan must be purchased and submitted within one(1) year from the date the equipment was installed. Contact your **Maytag** dealer in your area for more details.
